Dear Liam,

This is to thank the CSS Charity for their generous donation of £840.00 which paid for us to install new boards to one side of our green, and for also giving us permission to reapply again this year, and next, so that the last two sides of our green will get the boards replaced, as these are also a health and safety issue!

Once again a very big thank you, to you and all your team at CSS for this wonderful gift which will give Birdbrook a new lease of life.

Kindest Regards

Tricia Birt

Birdbrook Bowls Club Secretary
