3rd February 2017

Dear Liam,

I am writing to say an enormous thank you for the kind donation of £2000 which I received this morning. What an absolutely wonderful surprise and an ideal letter to receive at the end of a busy week.

Braintree District Mencap Society is so very grateful for the support and kindness that the CSS Trust has shown us over the years. Our plans to turn the downstairs office into a sensory room is one of our biggest projects to date and your support has enabled us to take a giant leap towards implementation. Our members with a learning disability are involved in the fundraising and I am sure that this news will keep us all on our feet during the wee small hours of our 24 hour Danceathon.

Of course, we will continue to keep you informed of progress made towards our target, as well as invite you and your Trustees to come and enjoy our sensory room once the project is completed. Hopefully you will read more about our efforts too in the local press, as I am currently working with the Braintree and Witham Times to establish a fundraising campaign with them and our local community.

Once again, I really would like to thank all Trustees of the CSS Trust for their kind donation. Without support such as yours Braintree Mencap could not continue to run as it does, making such a positive difference to the lives of people with a learning disability throughout the Braintree District.

Kindest regards,

Rachael Luckin
