Dear Liam, Dear Collette

I should like to thank you most sincerely for the very generous donation we received earlier this week from your charitable trust.

My fellow Trustees also wish to express their gratitude for your support of the gardens and we can assure you we shall all work towards maintaining and developing the gardens.

I look forward to meeting you both next week (17th February) and thanking you personally for the financial help you have provided.

Yours faithfully

George Canvin
