Dear Liam,

Grant Funding

Thank you very much indeed for your letter of 28th March and enclosed cheque in the sum of £600 being a contribution towards our work in Braintree. We are delighted that the CSS Charitable Trust has offered this very valuable support for our work.

We will of course ensure that the support of the CSS Charitable Trust is acknowledged in our forthcoming publications.

On behalf of all of us at Families InFocus (Essex) thank you so much!

With very best wishes,
