Dear Trustees,

I am writing to say an enormous thank you for the kind donation of £1800 which we received this morning. Your support and kindness means that we can overhaul our computer systems, improving the service that we offer and enabling staff to work more efficiently. This is of vital importance for our organisation, enabling us to remain compliant with regards to the forthcoming changes to data protection law, as well as being able to overhaul our shared information in order to work more effectively and efficiently for our members with a learning disability who rely on our activities, classes and clubs.

We cannot thank you enough for your speedy response and as always, for your continued support of our organisation. Without grants and donations such as yours we could not continue to run as we do, supporting over 400 people with a learning disability and their families and carers, throughout the Braintree District.

Please pass on our grateful thanks from all of our members of Braintree Mencap to all Trustees of the CSS Charitable Trust.

Kindest regards,

A handwritten signature in black ink that reads "Rachael".
